WEEK 07

SATURDAY 22ND AND SUNDAY 23RD OCTOBER, 2016

Guru Sports Store Match Report

Welcome to the latest edition of the *Guru Sport Store Match Report*.

Results from the weekend as follows:-

First Grade – Saturday

Saturday saw First Grade come to go into damage control against Wests who were 4 in front after day 1. Red Macca and Melville started off the day and got a run out through a direct hit from Red Macca. Then their skipper left a straight one from Red Mac and we had 2 in the first half an hour.

Wickets became tougher to come by after that and they started to find boundaries with frequency. They declared around 30 mins after lunch with a lead of 170. Besides a couple of scares early with Prowsy and Trask getting out Piece and Rabs negotiated the rest of the day comfortably and we shook hands at 4pm.

Pretty uneventful day but the damage was done last week. We need to be better in all areas of the game if we are going to be around come finals time.

Big Mac.

First Grade – Sunday

Sunday First Grade took on Redlands in a top 4 clash in the one dayers.

Redlands got off to a flyer thanks to some good strokeplay and some ill-disciplined bowling. Sean the Sheep Finnemore got the first wicket caught by the salmoming Luttsy at mid on. The run rate kept going at a steady rate until Luttsy came on and got them flicking down to Big Mac at deep square.

Luttsy and Melville bowled perfectly in tandem going at less than 4 an over until Luttsy got their skipper caught behind backed up by Melville potentially turning one off the straight and getting a wicket. Luttsy was on a Hat trick at one point but couldn't convert. Though finishing his spell with 4 fa and also taking his first poles of the year! Redlands kept ticking it along and went big at the end finishing up with 272 from their 50 overs.

We started off poorly with Kingy and Horse out for 1 each. Mr Reliable Trasky batted as he normally does and made it look easy as did Rabs until the latter was unluckily run out with the bowler getting a fingertip on a ball that Trasky hit back.

The Big Show came in looking to get himself going for the season and started off cautiously. Trasky knicked off for 56 and Big Mac was in, Show and Big Mac slowly kept the scoreboard ticking over and some loose bowling allowed them to keep up with the rate. As the game went deeper so too did Big Mac's breathing with every single and two run.

At the last drinks break we needed 80 off 66. We needed 58 to win when Big Mac was caught behind for a well-made 70. The Jerbal came in and he and Show kept it ticking over until The Big Show decided it was show time and pulled the trigger taking one over for 12 and the next for a similar amount. Jerbal pulling out a ramp and Show clipping a couple over the top and we got home with 11 balls to spare. Show finishing 81 not out and Jerbal 18 not out.

A great effort to chase down that total with the younger group of batsmen getting the job done. Good signs moving forward.

We host Ipswich Logan in a 2 dayer this Saturday. Back on the winners list!

Second Grade

We went in to the day with a fair amount of confidence. it was the largest total we have had to defend all year, and thought 250 was more than enough. Things didn't really go our way early. Wayward bowling and poor fielding saw us miss a couple of chances to have Wests a few down for not so many. Dotasaurus made the break through, he was just lucky to have his foot behind the line on that delivery. Honestly, who bowls no balls off 4 steps? Joey Carroll nabbed us 1 more after taking 3 scoops of preworkout, aminos, half a vile of cows blood and 3 raw eggs. Drewy got 1 himself with none of the supplements. Wests were 4/100 odd at lunch. We fancied ourselves for getting the W. After lunch another fell and Wests needed 120 with 5 in hand. From that moment on things didn't really go our way. With some catches falling short and some poo poo fielding and bowling, all of a sudden at tea Wests only needed 20 after the break. Needless to say they got the job done. After they passed our total the boys dropped off. It became a struggle and was rather disappointing to see people throw in the towel in the field. Lutz experienced De Ja Vu and was walloped first ball with the new ball when it was taken. From there it was basically good practice of 2020 bowling with Wests batters trying to go large each ball.

The total at the end of the day was irrelevant. Special mention to Drewy and Darcy being the pick of the bowlers. 2nd grade still searching for the game where we string it all together. We aren't far off which is the good thing.

Just want to give a shout out to Alister McDermott. All of WMDCC are behind you in at least doubling your batting average. We all believe in you.

Lutz

Third Grade

After bowling Wests out for 165 on Day 1, we set ourselves the target of chasing it no less than 4 down. Our openers got us off to a solid start, Sam (24) and Will Kenny batted really well for his 60 before going after one too many.

At tea we were in a commanding position and well on track at 4/130. However, when Lance (30) was bowled with a molly grubber, wickets tumbled at a rate of knots. When Gunning strode to the crease at 9/161, Wests were carrying on as if they'd already won.

As a number 11, hitting the winning runs is the ultimate glory, especially when the odds are stacked against you. And Gunning did just that with a beautiful cut behind point then a sneaky single to seal the win.

"Never in doubt!" he was quoted as saying to Lance as he walked off. To which he replied, "You guys all owe me a carton and a voucher to Warnie's Lemo Hair clinic. That's twice in a row now I've been pulling my hair out!"

Fourth Grade

As we went into the 2nd week v's wests 1 we started the day at 4- 54 chasing 164 to win. Off to a good start without losing any wickets in the the fist hour.

I Robertson and R Marshall were forging a strong partnership. A few quick wickets saw wests back in the game... but persistence prevailed with Wynnum reaching the target with 1 wicket in hand. Setting first innings score of 189.

S McDowell 31, I Robertson 28, P Kenny 26

First win for the boys this season

Fifth Grade

Fifth Grade dominated the second day of our match scoring 300 in reply to Wests 135.

Highlights were Josh Wright continuing his rich vein of form with a fantastic score of 90 and Jack Hains showing us how good he is these days with the stick compiling 68. Hughy Bray continues to impress with 39* and the game was ours to win outright if we could take 10 poles after lunch.

We started off strongly with Hughy opening the bowling with four maidens on the trot. Jack Robinson tried to bump them out but bowled better when he tried for the knicks.

Muller came on and took his season wicket tally to 18 taking another couple of poles.

Wests ended up 6 down and 2 in front when darkness prevented any further.

A huge win for our boys putting us in 2nd position at this early stage.

Sixth Grade

6th grade remain undefeated for the season after yet another sensational knock by one of our younger brigade helped the Sea Eagles to 6/257 in response to Wests 227 before light stopped play. Pat Coffey's 160 follows Tom "Tugga" Hainsworth's century effort last match.

Coffey's ton was highlighted by composure and temperance for the first 100 runs and then a stunning last 50 where he dominated scoring including hitting 4 huge sixes. Well worth the price of admission. Wests early enthusiasm and hope on day two was snuffed out by an 87 run partnership between Coffey and night watchmen Tim Hazelwood (16) that our opposition could not have expected when play commenced.

Remy Holdsworth (19) continues to show great promise and attitude to share an entertaining 111 partnership with Coffey albeit at times as something of a spectator. This is the 3rd century in three matches for Wynnum 6s which is more than has been achieved in the last 3 years. Work still to do with our catching and bowling discipline but the effort is there.

Redlands next at home.

Seventh Grade (B1 Subbies)

Round 5 saw Seventh Grade up against Pine Rivers out at the Pine Rivers cricket club. Losing the toss, we were (kindly) sent in to bat on a deck I would bat on 10 out of 10 times. Pine Rivers bowled well early, taking 3 poles by the time we got to 50.

However, their bowlers tired after that and we took full advantage. Dom Farris scored a run a ball 70 at number 3, getting into his groove after taking 20 off an over. Josh Treadwell batted at 5 and played the innings of the day with 86. His driving down the ground was superb.

Nathan Kapernick shared a 103 run partnership with Treadwell for the 6th wicket, with Kapernick finishing the day on 89 not out and scoring his last 50 runs in the last 45 minutes of the day. His first 39 runs came in an hour and a half showing great resistance early.

7/313 at stumps and hopefully a Kapernick ton next week and at least some first innings points, pushing for an outright.

Guru Sports Store Match Report

Eighth Grade (B3 Subbies)

Week one started off poorly as we lost the toss and bowled (incidentally 7th head in a row on that coin). Valleys started quickly scoring 56 off the first 12 overs, then wickets started to fall.

A couple of dodgy running calls kept us in the game, but tight bowling from Ed Little 3/21 and Jamison Connolly 3/30 helping us to roll valleys for 162 off 41 overs.

Impending cloud cover and conditions best suited for putting a bell inside the ball meant we lost steady wickets, finishing the day at 7/77, Kamahl Laher scoring 30 and Murphy Hill 23. A good start next week and who knows, we've won from worse spots.

Lord Taverners

It was a battle between 1st and 2nd on the ladder at Wayne Broad Oval on Sunday and unfortunately, we suffered our first loss of the season.

Batting first, we made our way to 8-203, but losing wickets at critical times meant that we were probably about 40-50 short of where we needed to be.

Gold Coast came out and some big hitting kept them up with the target the entire innings which meant we had to bowl them out to win.

We went close, but they passed our score 8 wickets down with 5 overs to spare.

Disappointing day, but hopefully some valuable lessons were learned.

Will Kenny 51, Joel Harrison 44 were the leading bats, with Luke Freeman 3-46, Josh Wright 2-37 and Hugh Bray 1-25 got the bowling figures.

Shane Watson

Last game of the season at Ian Dronney Oval against our local derby foe. We lost the toss and were sent in, with run scoring machine Prosser falling cheaply and opening bowler Nick Golding making well earned 17.

Josh Schaumberg (30) and Ronin Hunt (28) giving great support to skipper Connor Carroll with an unbeaten 50 off the last ball, leaving us with 184, which I thought was not enough.

As in previous games boys struggled early bleeding runs profusely. Sam Moore came through for us taking 3 vital wickets and clamping the run rate.

At the last drinks break Redlands needed 52 to win off 16 overs, but our boys stood up, yet again, as they had done many times before, with Jamison Connolly (2/25 off 10) and Jeremy Markey (1/22 off 8) took the game away from Redlands taking 3/20 in 11 overs, to leave us with another amazing win from nowhere, bowling Redlands out for 169.

Outstanding group of lads this bunch, watch out for these names coming through the ranks REAL soon. Great season lads, hold your head high all of you.

Ray Weier

Finals Week. This week saw us come up against our arch rival in Redlands. For many of the young fellas it was their first derby and it did not disappoint with the usual drama that surrounds a Redlands fixture.

Guru Sports Store Match Report

We were happy to have a match that wasn't in a different time zone for a change as we had done some travelling throughout the season and we all turned up at Wellington Point CC soccer ovals to take on the Redlands "A" team.

The groundsman worked tirelessly due to the overnight weather conditions and got us onto the pitch at 11am only 1hr late, wicket was always going to be sticky early on, but looked as though it would play pretty true after the early overs. Umpire did not want to lose any of our 100 overs so there was going to be a day/night match if we batted the full quota.

We lost the toss and were put into bat.

Our dynamic opening pair of Isaac Haynes and Reece De Beer were very patient and were going along at 4 an over without much pressure, but they were struggling to find gaps like they have done in the past. Isaac ended up getting a ball that popped on him and went to 2nd slip who just got to it and Reece struggling to get off strike came down the wicket to change the angles and unfortunately missed the ball and was bowled. 2/29 in the 7th over.

In the end our total climbed to 201 cc. with solid partnerships from Remy and Declan, Declan and Bruun, Declan & Rueben and Rueben and the tail... Best of the figures was Rueben Burger 50*, Declan Kunst 38. Sam Bruun 28.

It was 2:30pm when we went out to bowl our 50 overs, we went out with a plan and it worked perfectly, except we dropped 2 chances in the first 2 overs, dang, but the plan worked none the less. Our bowlers were on top all day and Redlands really didn't have an answer for our attack and at the 38th over they were 5/127.

The last 12 overs they picked up 50 runs losing 4 wickets having a dip at our tweakers in the dark, but the contest was won by us in the middle overs with great line and length bowling by Dale'D'souza, Tyler Oates, Josh Smith, Luke Hatherall and Sam Bruun.

It was a wonderful feeling to belt out Old Wynnum Manly Town out in the middle with the boys singing it at the top of their voices. #soaring

If I may commend the boys in this squad, they are a great group of competitors and no matter what hardships they face they kept putting in, the matches we lost were all very winnable, and as we are the youngest squad in the competition, with 90% eligible to play Ray Weier again, there is a lot to like about the tenacity of the boys at this age when they pull on the Sea Eagles colours. Great Season.

Please note you can still join our Fantasy League Competition!

The Fantasy League is great fun and lets every player in the club play the role of Chairman of Selectors, and pit your selection skills against everyone else in the club.

You must pick a team that conforms to certain restrictions such as salary cap and player types (click the link below for a full description and list of rules).

Your team earns points according to those allocated as part of the club championship points criteria setup by your club.

The team with the most number of points at the end of the Fantasy season is the winner.

This year, you can make things a little more interesting by paying an entry fee of \$50. This is not compulsory, but in order to collect a cash prize at the end of the season, you need to have paid. Essentially, the highest finisher who has paid, will be eligible to collect a prize. Money must be paid to Annie before midday on Saturday 8th October. The cash collected will also be used as a fundraiser for the club, so 50% of the money collected will go to the club and 50% will go to the highest 3 finishers (of those who paid) and if the overall winner did not pay there will be a \$50 voucher for them.

You can change your team any number of times up until the Entries close date.

Entries extended

Points will be earned for all games between (inclusive): Friday, 30 September 2016 and end of the season.
