WEEK 09

SATURDAY 5TH AND SUNDAY 6TH NOVEMBER, 2016

Guru Sports Store Match Report

Welcome to the latest edition of the *Guru Sport Store Match Report*.

Results from the weekend as follows:-

First Grade

Saturday we had the task of trying to bowl out an Ipswich team on a hot day who had some batsmen in form and had toughed out a draw a couple of weeks earlier. With Sean the sheep out with study we needed a big effort from our bowlers but we did have a secret weapon. Matt Floros' brother (Jason for those who haven't seen him at training) took a break from his representative duties to spin a web around the Ipswich top order who happened to have 5 of their top 6 as left handers. He took 4 of the first 5. Rabs breaking his drought in the slips taking 2 sharp ones and Flo bowling and trapping one in front. We had them 4 down at Lunch.

After lunch we had our fifth quickly will Ali getting his first and smiling for the first time that day as well! Flo picked up his fifth not long after and Ali chipping in with another and we were well on our way to have a chance to send them back in and push for an outright. A couple of stubborn partnerships meant we couldn't end up having another crack at them but won the game in bowling them all out for 160ish. Flo ended up with 6 fa Ali with 2 Lloyd with 1 and a special to Alex Melville who finally moved one off the straight and bagged his first 2 day wicket! Hopefully plenty more to come!

Rival game next game against Redlands at their joint so hopefully we can continue this momentum and string 2 Red ball wins in a row for the first time this season!

Second Grade Women's

Gold Coast won the toss and elected to bat first. A good start with the ball with tight bowling but an great batting effort by the opposition. Georgia Doyle struck first with a great in-swing to see the opening bat fall. Followed by awesome bowling from Chloe taking 2/11 off 3 overs. Georgina Sanders had her fair share of good bowling as well taking 2/14 off her 3 overs spell. We had them 5/87 at drinks but Gold Coast's batting took them to 6/156. Once again the girls fielded well and was good to see the team working well together.

A good batting effort with Olivia MacGinley scoring 31 runs and Georgia B scoring 23. A good effort by Olivia Steel scoring 19 runs. The girls dug in but we fell short of getting to the target set. All in all a good game against a solid opponent. Good luck in the next round!

Second Grade

After a good day one for the Wynnum boys the boys headed out to Ipswich again and she was a hot one 37 degrees at one point. Drew and Troy resumed on day 2, they both didn't last as long as we all would have hoped and the same could be said about the rest of the batsmen. Joe Carroll did what Joe Carroll does and even though he has small arms he somehow always clears the fence and ended up with a very nice 36 and then we quickly went to 9/96 and the boys were getting ready to bat/field again but this is when the Great Wall of China came to the pitch (Lachlan Reberger) is there anything this man can't do. He and Darcy Marsh putting on 74 for the last wicket: Lachlan ended up not out 18 off 93 balls and Darcy showed us why he has that baggy green. He ended up leaving one on off stump for 59 off 95, all out for 172 chasing 199.

We then went out into the field and the boys were buzzing to roll these bloke and that's what they did. We ended up rolling them for 90 odd but didn't have a chance to bat again as there were only 3 overs left when we got the 10th wicket. Joey once again showing us why he doesn't go to the gym picking up 5 wickets: a good day for Mr Stick Cricket.

Big thanks for Josh Geurts for making us laugh with this comment "how do you limp if you pull both hamstrings"

Guru Sports Store Match Report

Third Grade

Resuming our batting innings on 3/78, Isaac Robertson (34) and Ben Curran (52) batted very well getting us to the target of 127 without a further loss of wicket. Then going for quick runs, we declared on 7/255 with skipper Lance Roudenko not out on 40.

With a little over 40 overs to bowl at Ipswich to try and get an outright, they struggled but finished the day on 7/125. Superb bowling from Christian Gunning (3/17) and Brady Morton (3/69), as well as some tidy wicket keeping from the skip, who took over the gloves and didn't stop bragging about keeping to Brett Lee back in the day.

A strong showing from the whole team this match with every batsman getting a start and all bowlers bowling very well. We'll take this confidence with us into a tough match against Redlands next week.

Fourth Grade

Second week of the game with Wests 2 seeing Wynnum bat on and get a lead of 64 after bowling Wests out for 90 in the first innings.

With not a good start in the 2nd innings Wests 2 got away from us. With a declaration from Wests at 6 fa 210 they had a lead of 148.

Off to a good start Wynnum in their second innings scored a total of 148 off 23 overs to win outright with a run rate of a little bit over 6 runs per over.

Bowtell and Ronday got Wynnum off to a good start to lose some wickets in the middle order. Pas and Pat Kenny then got us over the line with an OUTRIGHT WIN

Best bats in the second innings:-

Pas 75 off 42 balls; Pat Kenny 33 off 26 balls; Ben Ronday 15 off 24 balls; Bowtell 10 off 15 balls

Wynnum sitting in 4th spot now and the captain's man of the match is Pas with 54 in the 1st inns and 75 in the 2nd and with wickets in both innings: well done Pas

Well done boys great win

Fifth Grade

A great win for our boys. Playing on Sunday we had to battle hard to come out on top in this one.

34 degree heat didn't deter us on week 1 with the bat as the top order all got starts but didn't capitalise. Prosser in his grade debut impressed in seeing out the first hour with Callum Davies and Coff, Lord and Pebbles all joined them with mid range scores to see us score 203.

We bowled and fielded brilliantly to restrict Souths to 178 with them digging in manfully in tough conditions. Josh Muller again showed how good he is opening the bowling and bowling the entire innings from one end to have 38 overs 5 fa 59 including a mammoth 21 maidens.

Our second innings didn't start off well but Pebbles smoked 76 not out off 58 balls to get us some very valuable bonus points.

Very exciting to see us sitting in second place after this match.

Sixth Grade

6th Grade remain undefeated after round 4 with a first innings win (Us 359 & 3/51 Them 179) against Redlands (2).

Last week's historic first day with the bat did little to improve the Sea Eagles fielding with 4 crucial catches being grassed which stole our momentum after having the visitors 2/1 early. Our boys did everything possible to make life difficult for us including:

Strike bowler Luke "Prince" Kingdon (1/8) reinjured an intercostal in just his 2nd over and didn't bowl again for the day;

Spinner Scott Reberger injured his finger pre-day 2 and was unable to take the field at all with conditions taylor made for his slow stuff.

"Pants" Mazzocato left his gear at home and was forced to wear a cordless pair of Ash's huge man pants. "Pants" was left to hold the borrowed strides up with one hand until drinks when he and the Prince swapped;

"Big Unit" Monty was an hour late due to exams leaving us without his services for almost two hours.

Cricket is a funny game indeed eh!!

With Redlands focused on an honourable draw, the Sargent Major Ash Robinson (5/35), used his experience to pick up early poles and then came back after tea to clean up the middle order and drove the Sea Eagles to victory. Josh Romer (3-47 off 17 overs) filled the sole spinners role manfully with at times some very good spin bowling whilst Lachlan Monty (1/25) finally had a nick behind caught (and one dropped of course) to take his first grade pole for the year after a frustrating run of chances having been grassed in the last 3 games.

Whilst losing was never an option the visitors were determined to grind out a draw so full marks to the lads for hanging in and building pressure. We climbed all over Redlands as soon as the opportunity presented.

We had a bat late with no chance of an outright on the table pulling up at 3/51.

We play the other Redlands side this match at Droney.

A shout out to all the players from various grades who popped in over the two days to watch and encourage the lads. Great stuff.

Seventh Grade (B1 Subbies)

We batted all day to mass 9 fa 268 with Kapernick, Singh and Voss all contributing mid-range scores.

Should be a successful bowling effort this week to see us home in this one.

Eighth Grade (B3 Subbies)

Game started with us losing the toss and fielding (for those playing at home 8th head in a row). The day started awkwardly with the skip dropping another catch in the first over. It didn't take long to make amends with 3 falling in the first session. Our bowling faltered for a while after that as Springwood piled on 90 for their 4th wicket. Reggie "the partnership breaker" kunst struck and before you knew it we were back amongst it, as Jeremy Markey bowled perfect lines to stem the run rate, and Murphy Hill bowled faster than I've seen in Subbies for at least a week or two. Springwood fell over for 189 with Jamison Connolly claiming 4fa and Reggie 2/6. On a side note Kamahl Laher saving at least 30 in the field.

Guru Sports Store Match Report

Our innings started a little nightmare-ish, with young gun Aaron Prosser falling off the first ball and Laher in the same over. Murphy Hill and Isaac Haynes steering us back into clear waters putting on just shy of 70 before Haynes fell for a handy 24. Murphy fell soon after for 45, as Reggie and Connor Carroll put on double figures to see us at 4/105 at stumps. Big week next week could see us make something of this.

Lord Taverners

A disappointing day after high hopes heading to Valleys.

Sent in to bat, Wynnum could only manage 9-183 off our 50 overs which could have been worse without a 70 run 10th wicket partnerships between Jack Bulat (31no) and Luke Freeman (31no).

Still, we thought this would be enough on a pitch that was keeping a bit low at times, but inconsistent bowling & fielding saw Valleys get up in the 35th over and only losing two wickets.

2-32 off 10 for Luke rounded out a good day for him personally, but we were out-enthused and out-played by Valleys.

Two games to go in the season and we stay in second place still 7 points clear of 3rd place, so still time to get back in form for the upcoming matches.

The Fantasy League is great fun and lets every player in the club play the role of Chairman of Selectors, and pit your selection skills against everyone else in the club.

You must pick a team that conforms to certain restrictions such as salary cap and player types (click the link below for a full description and list of rules).

Your team earns points according to those allocated as part of the club championship points criteria setup by your club.

The team with the most number of points at the end of the Fantasy season is the winner.

This year, you can make things a little more interesting by paying an entry fee of \$50. This is not compulsory, but in order to collect a cash prize at the end of the season, you need to have paid. Essentially, the highest finisher who has paid, will be eligible to collect a prize. Money must be paid to Annie before midday on Saturday 8th October. The cash collected will also be used as a fundraiser for the club, so 50% of the money collected will go to the club and 50% will go to the highest 3 finishers (of those who paid) and if the overall winner did not pay there will be a \$50 voucher for them.

After working as a police officer and a commercial lawyer it became clear to me that I needed something more from the law. A people business where we could really matter.

My wife and I started Hunt Migration in 2006 with a clear objective: to change the way migration services are offered in Australia. We saw major issues within the industry which required a radical rethink in the way clients accessed services.

Our mantra is multiculturalism and we believe everyone should be treated equally in the eyes of the law. Australia offers a bright new future to many around the world who otherwise have little hope for a good life.
