WEEK 10

SATURDAY 12TH AND SUNDAY 13TH NOVEMBER, 2016

# *Guru Sports Store Match Report*

Welcome to the latest edition of the *Guru Sport Store Match Report*.

Results from the weekend as follows:-

## **First Grade**

Saturday we travelled to Redlands to try put our best foot forward to string 2 two day wins in a row.

We lost the toss and got sent in a humid day. But overcast skies and a green pitch meant we had to bat very well to get a competitive score on the board.

Prowsey and Horse batted very cautiously in the first hour and we got through unscathed. Just after drinks Prowsey got a good ball that jagged back and he was out lbw. Trasky came in and blazed a boundary first ball then got a ball that nipped away and took his outside edge then 2 overs later Horse was caught behind and we were 3 down for around 50 and in a bit of trouble. Flo and Rabs stabilised things for a little bit until just before lunch Flo dragged one on and Show came out and got a first baller. Big mac avoided the hat trick and we went to lunch 5/70 odd.

After lunch Rabs and Big mac started okay. Some tight bowling meant scoring wasn't easy. Big mac played over the top of one and that brought Kingy in he looked good until he was trapped in front. Ali mac and Rabs put on a crucial partnership to get us up to 120ish until Rabs cut the spinner to point for a well-made 37. Fin didn't last long and when Georgie came in Ali tried to clear the infield and got caught. All out for under 130 a pretty poor effort from the start we had.

The pitch still Green and the storm rolling in we had a chance to some early damage George and Ali starting well.. 'Keg ball' was called by Big Mac and we had a caught behind much to the amusement of the slip cordon. We had a big shout down leg side turned down and then the lightning and the storm rolled in. Redlands finishing the day 1/24.

Still well in the match. Though we lose George and potentially Flo with the Shield game coming up during the week. Big weekend coming up for the bowling group to try and get us over line in this one!

## **Second Grade Women's**

West's is one of the strongest and most established women's cricket teams in the comp. Under the leadership and tutelage of Katherine Raymont aka Farmer, this young team played extremely well.

Getting onto the pitch with only 8 players today was definitely going to be a tough gig. As soon as the match commenced we had 2 of the West's fielders assisting our team with our shortcoming. A good bowling performance from our girls with not much success today saw West's achieve 5/205 from their 40 overs. A good start by our openers Olivia and Georgia Doyle with Eliza taking the first with an amazing run out off Mary's bowling. Mary took the next two wickets with great bowling to get West's to 3/199. Great fielding from the girls lead to two run outs being taken off Esther's last over of her spell.

Our batting struggled a bit today with the girls digging in. Unfortunately we were called off firstly due to lighting. After a half hour off the pitch we got back on but were called off 6/36 off 15 due to rain.

Not a great day on the pitch but an absolute dazzler testament to how the game should be played through the display of the sportsmanship by West's. Having the privilege to step onto the field playing against the legend Farmer herself was just awesome. Better luck in the upcoming T20's.

## **Second Grade**

Saturday saw the boy's line up against a relatively experienced Redlands side at home. We lost the toss and the boys were sent in to bat on a deck that had a fair amount of grass cover and ultimately a lot of life in it for the bowlers.

## *Guru Sports Store Match Report*

Agnew and Cooper opened the innings for us but unfortunately we struggled with the sideways movement that the Redlands attack brought to the table throughout our innings and finished being bowled out for below 150. There were few highlights in our batting innings, however, Troy Cooper and Adriane Immermann put a high price on their wicket and both produced quality knocks. Troy did what he does best by blunting the opening bowling partnership of the opposition and remained at the crease until the last over before lunch. Adriane played with his usual flair and confidence, reinforcing his claims of being a quality all-round cricketer by hitting his maiden 2nd grade half century.

No further play was possible after the tea break as the heavens opened, but the boys are remaining optimistic going into next weekend and with the quality line up that 2nd grade constantly boasts on paper, we should have the firepower to get a result out of this game.

Finally, a 'get well soon' is in order for Steve Graham as he is locked up on a gold coast hospital (if he hasn't told you already) following a golf buggy related accident.

### **Third Grade**

Winning the toss for the millionth time in a row Lance took off to the casino whilst we padded up for a bat.

We lost a couple early and rang Lance to hurry back so that he and Pas could go about strengthening our innings.

As with every other game on Saturday we were rained out but not before accruing 4 fa 91 putting us in a good position to push for a result this Saturday.

### **Fourth Grade**

Off to a good start with Wynnum winning the toss and batting first on a hard flat wicket

Poor shots from the openers saw Wynnum 2 for 12 but with a good partnership between Rodgers (39 not out ) and Hains (45) we went to tea at 5- 105

When the storms rolled in from the west no more play in the day was possible due to the fields under water.

### **Fifth Grade**

After winning the toss and electing to bat our mission was to make sure our bats didn't get out for mid-range scores, unfortunately for us – they did just that.

Harrison and Davies got off us to a good start but getting out for 16 and 31 respectively set us back a bit. Pebbles came out and continued to show his career best form but was bowled for 35.

The shining light was Aaron Prosser who is currently 27 not out and batting brilliantly for a 14 year old, when rain stopped play we were 4 fa 113 and extremely keen to press on for a result next Saturday.

### **Sixth Grade**

A typhoon and a late flurry by Redlands (1) with the bat has diluted what was otherwise an excellent couple of hours for the Sea Eagles 6s.

Redlands (1) won the toss and elected to bat on a good Droney strip. Big Ash took the new rock but was overshadowed by this year's unluckiest bowler Lachlan Monty. Redlands were in all sorts of trouble with Monty getting bounce and movement with the new ball to tear the heart out of the Redlands top order. His 5/28 off 8 overs were career best and shows the reward the big unit has been missing out on due to poor fielding over the last 2 months. Redlands at one

## *Guru Sports Store Match Report*

stage were 8/50 not much before a late flurry saw them recover to be all out for 104. Big Artie took 3 wickets and he also benefitted from some improved (albeit not perfect) catching.

Whilst we may lament our inability to finish off the Redlands tail quickly we were still feeling pretty pleased with ourselves as we headed to an early tea. And then it rained.

An interesting set of scenarios unfolding for week 2 now with all eyes on securing first innings points in the first instance.

### **Seventh Grade (B1 Subbies)**

Seventh grade was in the box seat to claim a first innings win over Everton Park out at Everton Hills, however the rain rolled in before we could finish the job, the match ending in a draw.

In week 1 Kapernick lead again with the bat after his last innings of 93, scoring 48. He was well supported by Voss 32 and Nilas 32 not out as well as by young Palem Singh scoring 28. We finished week 1 9/268 and declared overnight, once aware of Saturday's forecast.

Everton Park were 5/126 at the time rain stopped play. Harvey 2fa and Raiteri 2fa.

Back at home next round where another strong batting performance will hopefully see us claim more points.

### **Eighth Grade (B3 Subbies)**

We started off week 2 needing 85 for first innings points with a dodgy weather call looming large.

Reggie K and Connor started strong taking us to 130 before a worm burner crept under Reggies bat to be caught behind. Our "number 1" bat came and went quickly, closely followed by Connor Carroll popping one to cover falling for 29. Pressure was on as young Declan felt the effects of the extreme heat, eventually falling to a decent ball leaving us 45 for first innings points, with only 2 wickets in hand.

The 2 Connolly's came together and put about making amends. The elder Connolly dominating like he does, the younger Connolly given out after trying to hip and shoulder a ball to the keeper. One wicket left, 30 to go, clouds looming in, darkness overcoming the realms of all possibilities. Only the gentle beacon of humanity (the skip) and his young charge Jeremy Markey, stood between oblivion and glory. As Markey held his own the skip took control guiding us closer to immortality. In the end his failing eyesight, the impending destruction from the heavens, and a touch of sportiness meant play was called 3 minutes before Thor struck.

A draw, missing out on 1st innings points by 17 runs. Getting closer to pulling off a consistent game and when we do watch out!!

### **Lord Taverners**

Another very disappointing day for the Tavs team on Sunday.

Sent in again, we got off to another great start from Joel (40) and Isaac (50), before we collapsed again to make only 8-188 off our 50 overs. It could have been a lot worse but for our lower order Hugh (33) and Jack (22no) with some smart batting at the end.

Toombul had no trouble getting the runs in only 26 overs once again due to some ill-disciplined bowling. Dylan 2-29 off 5 overs was the best of the bowlers, but unless we get back to where we were at the start of the season, we are a real risk of missing the final. We are still in 2nd place, but only 2 points ahead of third. Redlands at home this weekend as always, will be a crunch game.

Please note you can still join our Fantasy League Competition!

The Fantasy League is great fun and lets every player in the club play the role of Chairman of Selectors, and pit your selection skills against everyone else in the club.

You must pick a team that conforms to certain restrictions such as salary cap and player types (click the link below for a full description and list of rules).

Your team earns points according to those allocated as part of the club championship points criteria setup by your club.

The team with the most number of points at the end of the Fantasy season is the winner.

This year, you can make things a little more interesting by paying an entry fee of \$50. This is not compulsory, but in order to collect a cash prize at the end of the season, you need to have paid. Essentially, the highest finisher who has paid, will be eligible to collect a prize. Money must be paid to Annie before midday on Saturday 8th October. The cash collected will also be used as a fundraiser for the club, so 50% of the money collected will go to the club and 50% will go to the highest 3 finishers (of those who paid) and if the overall winner did not pay there will be a \$50 voucher for them.

You can change your team any number of times up until the Entries close date.

## *Guru Sports Store Match Report*

Entries extended

Points will be earned for all games between (inclusive): Friday, 30 September 2016 and end of the season.

Wynnum Manly District Cricket Club fantasy league 2016-17

Your team can be changed as many times as you like up until the cut-off date.

If you are an active player in Weet-Bix MyCricket you can either login and access your team or use the link below (otherwise the only way you can access your team is by using the link below, so please save this email).

The link for your team is:

## WMDCC Team Song

(as Created by Ian Duncan and Mark Tooley in the 80's)

To be sung after every win in every grade, everywhere!!!

We are the Sea-Eagles

We are the good ole' Sea-Eagles

We're the team that never let you down

We're the only team from Wynnum Manly town

Some, come, to cheer us

While others fear us

When they are near us

We are the good ole' Wynnum Manly

We are the good ole' Sea-Eagles!

After working as a police officer and a commercial lawyer it became clear to me that I needed something more from the law. A people business where we could really matter.

My wife and I started Hunt Migration in 2006 with a clear objective: to change the way migration services are offered in Australia. We see major issues within the industry which required a radical rethink in the way clients accessed services.

Our mantra is multiculturalism and we believe everyone should be treated equally in the eyes of the law. Australia offers a bright new future to many around the world who otherwise have little hope for a good life.
