

WEEK 14

SATURDAY 10TH AND SUNDAY 11TH DECEMBER, 2016

Guru Sports Store Match Report

Welcome to the latest edition of the *Guru Sport Store Match Report*.

Results from the weekend as follows:-

First Grade

Saturday – Game 1

Washed Out

Saturday – Game 2

Washed Out

Sunday – Game 1

Tough game first up against Sunny Coast where we were outplayed but almost pulled the game out of the fire.

Lutzy bowled well to pick up 2 scalps, whilst Flo and Macca both got mid range 20's which almost saw us home.

Sunday – Game 2

Our second game was against an in form Sandgate.

We bowled well with Trasky claiming 4 fa and Grayson with an infrequent trip to the bowling crease taking 2.

Our batting struggled with the exception of a great 49 from Flo but Georgey came in and almost saw us home with some huge six hitting!

Second Grade Women's

On the back of a win the week before, we started off well with winning the toss, and electing to bowl first. We started off well, but unfortunately dropped a catch, and missed a run out which cost us dearly in the end. But as they say, that's cricket!

Redlands went on to bat very well, with the two opening bats staying in till the wicket on the very last ball. 1/192 was their score, a tall order for us to chase.

Our bowling was not as tight, giving away easy runs and the bats to their credit made field placing a challenge. One of them scored a well-struck century.

In reply we batted out our 20 overs, scoring 107 for 3 down. It was a challenge, but we didn't lose heart, and did our best. We were simply outplayed on the day, but not without a positive and never say die attitude. There were some personal breakthroughs, and we all had something to take away from the game – to learn and grow from. And we had fun....till next year!

Second Grade

There was no denying we were in for a tough couple of games coming up against both one day finalists on Saturday.

However, we knew we had every chance of coming out on top for at least one, if not both games. Valley's were first and we were put into bat, it was a very encouraging start with Corey and Will putting on a few runs quite quickly. After losing

Guru Sports Store Match Report

the two openers we had Drew and Lachlan at the crease looking to continue on from the strong start. The boys did well managing to hold their wickets but good bowling plans and execution in the last 8 overs meant it was difficult to pile on the runs and the innings ended with us being 2/116. Unfortunately our bowling let us down, lack of execution and not bowling to our fields allowed valleys to pass our score with about 5 overs to spare.

And then there was Uni! After a quick chat in the sheds we were looking forward to having another opportunity to perform. Uni won the toss and decided to bat first which suited us well! It was like it was a completely different team in the second game, all the boys were up in the field and putting pressure on at every given chance. With a much better standard of bowling we were able to restrict Uni to 150 which gave us a good chance at coming out on top! Our batting however didn't quite reflect our bowling, losing wickets in clumps and some miscommunication at the crease left us in a tricky spot with the momentum building for uni each over. Despite ending the innings at 8/72 we took a lot out of our performance.

With some more discipline at the crease and execution from our bowlers we're looking forward to what the New Year will bring!

Third Grade

Washed Out

Fourth Grade

Wynnum won the toss as usual with Neil's unbeaten streak this year and elected to bowl first. We had a great start with having Gold Coast at 3/5 with Kleemy and mazza magic with the ball. We were struggling in the middle overs as the spinners weren't landing as the team planned but Rhys pulled a breakthrough wicket breaking the partnership. Then our spinners were dangerous with cal and Fitzzy both bowling well to end the day with Gold Coast 7/142. Wynnum started the batting line up with Joel and neil, with a struggle start losing 3 quick wickets fitzy and Ben steadied the ship with a 28 run partnership when needed to get us rolling with the runs, then pat and cal ended at the crease, with cal getting out with 3 runs left for Wynnum on 45, pat and kleemy finished the day off for Wynnum with a win.

Fifth Grade

A brilliant win for us keeping us in the four leading into Xmas.

We bowled superbly with Mull and Pebbles going for only 16 each off their 8 but Bruun and then Markey dominated taking 3 poles apiece restricting Souths to a very gettable score.

With the bat we weren't as good, bumbling and stumbling as we made the task a lot more difficult than it should have been.

We got close but lost influential wickets at inopportune times only to see us needing 50 odd with only 3 wickets in the sheds.

Bruun batted well with the old bloke for a partnership of 40.

Markey defended for his life.

And with 1 ball left and the scores level Mull swung their spinner to the boundary to claim a great win!

Sixth Grade

Sixth Grade had a good win against a strong Valley's 2 side but it was a game that heavily favoured the team that won the toss. The wicket was very soft and it was a surprise to see it even prepared. The outfield was a paddock on what is the worst grade ground in the competition surely.

Fortunately we won the toss and bowled. With the ball popping, The Valleys team had no choice but to play big when the ball was full and in their hitting zone.

Ash bowled their opening bat off the first ball of the day, a genuine warm-up ball that was dead straight. Very weird start. Valley's then took to the big unit's bowling in his most expensive return ever for Wynnum.

Luke Kingdon got through the game uninjured and will be better for the bowl but was touched up a bit early as well. It really was a day for the medium pacers. Both Jamieson Connolly and Josh Treadwell got their first ever grade wickets but big Artie bowling cutters was unplayable on a wet deck. Poole did well with the ball at his favourite hunting ground taking 3 poles and ensuring the outfielders got a good dose of catching practice. We dropped critical catches again which kept Valley's in the game and their 153 was very good total given the batting conditions.

Fortunately, the wind and the day meant that we had the very best of batting conditions. Not perfect but much better than Valley's top order.

We lost Jake Hunter and Sam Ryan quickly whilst Kit "Knight rider" Freeman was finally showing very good signs at the other end, hitting hard and clean. He and Nugget Poole came together and scored quickly to bring bonus points into the equation assuming we could hold on for the win. Knight Rider was very good today – outstanding actually..... until he started lifting his head and playing for the bleachers unnecessarily and it inevitably all got ugly. He deserved a 50 but was dismissed for 40+.

Ash and Poole combined for quick runs to bring the win to Wynnum in the 29th over and hopefully earning maximum points from this match. We will be very hard to keep off top spot as we go to Christmas.

6s have done everything possible to make the half-way break in the best ladder position possible. With a number of Wynnum's higher grade teams still also in contention we have quite a challenge now to ensure we hold onto a top four place whilst ensuring we have enough players qualified and available come finals time. Its been terrific to see our clubs young players genuinely perform in 6s and get rewarded with higher grade opportunities.

Merry Christmas everyone – stay safe.

Seventh Grade (B1 Subbies)

Seventh grade were not able to chase 146 for a first innings victory.

A disappointing result. Deano 72 not out the only shining light after taking 5fa with the ball..

Eighth Grade (B3 Subbies)

We needed a big performance with the bat and a little bit of luck to make amends for last week. A lush, soft, slow outfield basically took the luck right out, so it was down to batting well.

With their openers having the ball on a string, our boys did it tough, with young Declan Kunst, taking the opening duties on his shoulders, falling in the 8th over. With balls popping all over the place we lost 5 further quick wickets, leaving us 140 odd away from the follow on mark. Nick Golding, Pat, Ed Little and Matty Mather played a support role to an old pensioner bloke named DK, as we edged to within 40 of the follow on before falling over for 134, off 57 overs with DK

Guru Sports Store Match Report

scoring 70*. This basically ensured we would not fall outright. We were thrown back in, finishing the day 2/76. One more days play for the year and some wins needed to keep in touch with the finals.

Lord Taverners

When you win a game by 2pm, you know you've had a great day....when it's a grand final it's even better!!!

It started out looking good when Wynnum went about their warm-up with smiles on their faces and the Gold Coast looking very serious and tense.

That pretty much summed up the day.

After a rousing speech from Mappers, some last minute words of wisdom from Chris, we won the toss and bowled and the wickets kept falling. The big hitters from the Coast never got going and we never let them off the hook.

The quicks were fantastic with Sam Hatherell (bowling with a crook ankle) getting 4-30 off 9 and Jack Bulat 3-24 off 6. Mazz bowled quick, and copped some stick at the start after the Gold Coast sent their big hitters in up top, but came back from that really well.

Hugh Bray again worked his magic getting an unbelievable 1-13 off 10 overs and Luke Freeman 1-0 off 1.2 overs finishing things off.

A couple of screamers from Will Kenny plus a stumping and a couple of good catches from Charles Parsons were the highlight of a brilliant fielding display.

Gold Coast all out 87 in the 30th over.

Will Kenny (24) and Joel Harrison (26*) then set about the chase and got to 37 before Will was out. Jed Wilson (31*) then came in and finished things off.

Wynnum 1-88 in the 21st over.

A fantastic season for the boys.

Congratulations to Chris for another brilliantly planned campaign and Neil for all his hard work as assistant coach. When your coaches and players work together as well as these guys did, it was always going to be a great season.

Also thanks to Graham Foxe for scoring the entire season and never getting cross with everyone looking over his shoulder so they update the Wynnum App!

On behalf of the boys, thanks to all the parents and supporters who turned out on the day and throughout the season.

A great bunch of people to have spent the last few months with.

After working as a police officer and a commercial lawyer it became clear to me that I needed something more from the law. A people business where we could really matter.

My wife and I started Hunt Migration in 2006 with a clear objective to change the way migration services are offered in Australia. We saw major issues within the industry which required a radical rethink in the way clients accessed services.

Our mantra is multiculturalism and we believe everyone should be treated equally in the eyes of the law. Australia offers a bright new future to many around the world who otherwise have little hope for a good life.
