WEEK 20

SATURDAY 11TH & SUNDAY 12TH FEBRUARY, 2017

Guru Sports Store Match Report

Welcome to the latest edition of the *Guru Sport Store Match Report*.

Results from the weekend as follows:-

First Grade

First Grade had a good win to keep their hopes alive of a semi final spot.

Chasing 270 we battled all day to end up getting the Sunny Coast's score 8 down.

Prowsey was the player of the day with a fantastic 115 but he was ably supported by Rabs with 65 and a number of the other lads chipped in with 20's.

A strong result against tough opposition sees us with 2 must win games left in the season.

Womens Second Grade

It was a very hot Sunday, to finish off our season for 2016-17. Our match was forwarded to 9:30, but it was still a hard day's work and still long..... But it was enjoyable and positive stuff despite the elements. We still had fun.

Losing the toss (I don't have a good track record L) we were sent in to bowl. But all credit to the girls...we stuck it out and did our best. What was pleasing was the amount of opportunities made in creating wickets. Given that we did have a number of dropped or very close catches, it was a positive note to take back.

Olivia Steele ended up with 3 wickets, Gabby 2. The target was 220 odd and it was going to be challenging. We managed to reach halfway before being all out.

There were some good partnerships in the top order – the two Olivia's holding the fort for a little while but unfortunately we couldn't get over the line. Olivia also top scoring for the team with 31. Well done Olivia...

But we can be proud of our efforts...as a development team, looking set for the future. I'd say we did pretty well with 2 wins overall, considering we weren't expected to win any. It's just the beginning....see you next season girls!!!

Second Grade

Week two saw Sunny Coast turn up thinking they would be at the pub by lunch time rolling us for another low score but that didn't happen mainly because of the man that calls himself "Joe Burns" Dakota batted approximately 3 and a half hours and didn't stop fighting for his 34 runs.

As the day went on not many others could hang around with Dakota and wickets fell consistently as Wynnum finished all out for 112 which was 40 runs short of making Sunny Coast bat again.

Despite this the boys are ready for a big game this weekend against Souths and try and finish the season off well to carry on into next year.

Third Grade

Day 2 started quite well as Wynnum set their sights on the target of 188 to keep their finals hope alive. Opener Davies, Rodgers replacement, held together the top order well where he batted on nearly till lunch. The middle and lower order applied themselves well and put high prices on their wickets evident through consistent and time consuming

Guru Sports Store Match Report

partnerships. However the team lacked the ability to score quickly and found themselves in trouble when they were 9-180 in the 94th over with only 3 overs left in the day. Amongst some very scratchy and lucky moments, the boys got home with a boundary from Morrison off the third last ball. Strong middle order performances from Boller, Tait and Harrison held the team together. A great all round team effort to get back to winning ways.

We look forward to continuing our road to finals cricket..

Fourth Grade

Bad day in this match for Wynnum going down to Redlands (2) 8-208 decl.

Best bowling for Wynnum C Davies 2 fa and S McDowell 3 fa

Wynnum batting in the 2nd innings KP Singh 77, P Mein 29 and N Bowtell 10 not out

Wynnum is now 5th

Fifth Grade

15 wickets and we go to the pub!

It took everything we had to get 15 poles on the world's hottest day but our efforts were greatly awarded with an outright win, other semi-final aspirant teams losing and a jump to second on the table.

Spinners were the order of the day as Porp was cooked after two overs and Weeksy was.... well.... Weeksy.

Jamieson came up and helped us by bowling brilliantly early in the day and fielding with so much exuberance that we all felt tired just watching him.

Muller dominated with 9 poles for the match as expected but Rusty, Kamal and Cheema all contributed with some good spells of their own.

We worked tirelessly and Weeksy's swim proved to be the answer as he took out our 19th pole and created the 20th as a run out.

Great work lads – see ya at the bar!

Sixth Grade

After losing first innings points on day 1, 6 grade turned up to Day 2 desperately wanting to avoid an outright loss against a UQ side beautifully positioned with an 80 run lead and 5 wickets still in the shed looking to score quickly when play resumed.

A dodgy sprinkler head on Ian Droney meant that despite the 40 degree temperature we were delayed firstly fixing the problem then drying out the area with the super sopers. The 2 hour delay meant a 6:45pm finish. Well done to the lads who busted themselves to recover the situation and get the game underway.

When UQ resumed we finally took our catches and were able to take 5/35 off 14 overs. This left UQ with a 114 run lead and around 50 overs to shoot at us. From the bowling, James Hanley (4/52) and Vossy (2/1) benefitted most from the improved catching effort.

Guru Sports Store Match Report

Our batting was a little brittle but at least determined this week. We got some seriously dodgy guesses masquerading as umpiring decisions which didn't help but many of the boys showed some application to staying and playing which frustrated the UQ bowlers.

James Hanley (45) was the pick of the bats again along with Todd Groom (34*) who batted well and is at his best when he digs in. In the end we saw off 58 overs and some poor light to be 8/145 at the 6:45pm finish but with just 10 men present to bat we were skating on seriously thin ice.

6s are sliding down the ladder as the post-xmas player drain impact continues to be felt and we will need points from one of the next two games to safely secure a finals berth.

Great to see 1,3,4,5 & 6 all in the hunt at the serious end of the season.

Seventh Grade (B1 Subbies)

We had a tough day playing two short out at Enoggera against Ashgrove. Winning the toss and batting first, we were rolled for 70 and faced with a minimum of 46 overs in the field.

We had Ashgrove 6/150 at the end of the day after a big effort from the boys in the searing heat and with gaps all over the place. Special mention to the quicks Kapernick, Gallan and Goodchild for putting in the big ones.

Eighth Grade (B3 Subbies)

On a blistering day we lost the toss and were put in. Once again Murphy and the skip started strong putting on our customary 20 odd before losing our 1st. Unfortunately wickets fell all too regularly, with only Murphy (10) Pat (34) and Reggie (22*) making it into double figures, seeing us all out for a paltry 100. With 20 odd overs left in the day, we needed to make inroads, which young Josh Perren did taking the 1st, 19 runs in. A couple of late wickets kept us in the hunt, but at 3/82 they are well in the box seat next week.

But cricket is a funny game, so watch this space next week, as we attempt to drive hard towards finals

After working as a police officer and a commercial lawyer it became clear to me that I needed something more from the law. A people business where we could really matter.

My wife and I started Hunt Migration in 2006 with a clear objective: to change the way migration services are offered in Australia. We saw major issues within the industry which required a radical rethink in the way clients accessed services.

Our mantra is multiculturalism and we believe everyone should be treated equally in the eyes of the law. Australia offers a bright new future to many around the world who otherwise have little hope for a good life.
